A Prayer for the Arapahoe High School Community

Once again, we share frightening and sad news about another shooting involving school children in the United States – this time here in Colorado involving the Arapahoe High School community.

Our prayers and hearts go out to all who are experiencing the shock, fear, anxiety and loss connected with this event.

We ask our loving God to accompany those involved, to help them feel healing and compassion. We pray also for those families who are being reminded and re-traumatized by memories of Sandy Hook Elementary, Columbine High School, the Aurora Theater and so many other events of this type.

Dear God, be with them and be with us in this difficult time. We ask your special care for those among our Regis colleagues and students who have been personally affected.

Be with us.

Amen
