LAS VEGAS COLLEGE

PROSPECTUS.

This institution, conducted by the Fathers of the Society of Jesus, was founded by them in 1877.

It is intended for Boarders, Half-Boarders and Day Scholars.

Having complied with the provisions of the general law of New Mexico, Twenty-fifth Session, Chapter XL, the College is thereby "empowered to grant diplomas, confer degrees and all other literary honors, usually conferred" by similar institutions of learning in the United States.

Owing to the special requirements of this Territory, the course of studies is mainly commercial, and comprises two Departments.

The first, or Preparatory Department, designed for younger pupils, is merely elementary, affording primary lessons in English and Spanish, Writing, Spelling and Arithmetic. It may last from one to three or more years, according to the age, talent and proficiency of the pupils.

The Second, or Higher Department, is directed to impart to the students a thorough commercial education, both in English and Spanish. It embraces Grammar, History of the United States, Geography, Arithmetic, Book-keeping; Rhetoric, Modern and Ancient History, Algebra, Geometry and the Elements of Physics and Chemistry.

Pupils passing a satisfactory examination in the above matters, receive a Certificate of fitness for commercial pursuits; and after spending two additional years at the College in the further study of Physics and Chemistry, and of Geology, Mineralogy, Higher Mathematics, Astronomy, Logic, Metaphysics and Ethics, they receive the degree of Bachelor of Science.

The study of the Classics is now optional and forms no extra charge. But it is the aim and desire of the Directors to gradually develop the present "Classical Department" into one general system of instruction. Experience proves that a solid classical training, together with thorough instruction in all the branches of Mathematics, is calculated to produce far better results than any exclusively commercial drill. "The most successful business man is not he who has learned merely to read, write and cipher; but the one who, with true far-sightedness, having first had all his powers developed by a liberal education, is enabled afterwards to bring a tenfold mental activity to mercantile pursuits. The details of business life can be learned only by practice; and these once mastered, superior training makes itself felt from the very outset" (Catalogue of the College of St. Francis Xavier, New York City).

Lessons in Drawing and in Music, either vocal or instrumental—on the Piano, Organ, or Brass Instruments—will be given to those desiring them, and will form extra charges.

The formation of both mind and heart being of supreme importance for the proper training of youth, the Directors shall bestow their utmost attention on the moral and religious culture of students committed to their care; and although the College be conducted on Catholic principles, no undue influence is ever exerted on non-Catholic pupils to induce them to a change of religious belief.

GENERAL REGULATIONS.

Until some new arrangement be made, the scholastic year will begin on the last Monday of October and close on the 15th of August, on which day a public Award of Prizes will be held.

Parents and guardians cannot be too earnestly recommended

to send their sons or wards to the College at the very opening of the session. Any delay is generally the cause of considerable inconvenience and tends to retard the progress of the pupils at a time most favorable for application to study.

Any candidate for admission must be accompanied by his parents or guardians. He is then examined by the Prefect of Schools and placed in the class for which his previous attainments have fitted him.

During the session, a student may be promoted at any time he is found qualified to enter a higher class, and such promotion is deemed equivalent to all the honors of the lower grade.

It is expected of all Catholic students that they will approach the Sacraments at least once every month, and attend Divine Service and religious instruction in the College chapel whenever they are required to do so. Uniformity of discipline demands also of non-Catholic Boarders that they should be present and behave properly at all the public exercises of religion.

To avoid all objectionable communication between the Boarders and outsiders unknown to the College Authorities, the latter reserve to themselves the discretionary power of inspecting all letters, books, newspapers, etc. either directed to or sent by the pupils.

Besides a few days of semi-annual recess at Christmas and Easter, the following are also ordinary holidays:—All the holy-days of obligation—Every Thursday—The feasts of St. Joseph, St. Aloysius and St. Ignatius—Thanksgiving Day—Washington's birthday—Decoration Day and the Fourth of July.

Boarders, whose parents or legal guardians reside in town, will be allowed to spend a day at home once every month, generally on the first Thursday. But they should always return to the College before 5 P. M., during the winter season, and before 7 P. M., during the summer season. On no other occasion will they be permitted to go out of the College without very urgent reasons.

Half Boarders study, dine and recreate with the Boarders. They should come to the College even on Sundays and all ordinary holydays, and are dismissed towards the evening.

To promote the advancement and good behavior of the students, merit-notes are read out to them every week in their respective class-rooms by the Prefect of Schools; and a Bulletin of their standing in the College is announced once every month in the presence of the Faculty and students, on which occasion testimonials of good conduct, application and proficiency are bestowed upon the most deserving. Parents are requested to exact the Bulletin from their sons at the beginning of each month.

At the close of each term, examinations will be held in all the classes, and their result published in the College Catalogue at the end of the session. Pupils unlawfully absent from such examinations, or entirely unsuccessful, are liable to dismissal from the School.

Motives of Religion and self respect being habitually appealed to, no need has been experienced of frequent and severe punishment.

Flagrant offences, such as are detrimental to the reputation of the College, or are obstructive to the good of other pupils, are grounds for expulsion.

For faults of ordinary occurrence—such as tardy arrival, failure in recitations, or minor instances of misconduct—detention after school, some lines to be copied or committed to memory, privation of monthly vacation for Boarders, and low weekly marks, are usually found sufficient penalty.

The efforts of Teachers and Prefects will be much facilitated if the cooperation of parents can be secured.

Parents are, therefore, earnestly requested to insist upon the regular and punctual attendance of their children at school; to notify the Directors in case of detention or withdrawal; to exact regularly the monthly Bulletin; to attend to such notifications

as may be sent by the Directors to inform them of unexplained absence, bad lessons, or unsatisfactory deportment, and not to detain the pupils from school without grave reasons.

COLEGIO DE LAS VEGAS,

PROSPECTO.

El Colegio de Las Vegas, dirigido por los Padres de la Compañía de Jesus, fué fundado por ellos en 1877.

Además de internos y externos se reciben tambien medio-internos.

Habiendo cumplido con la ley general de Nuevo Méjico, Seccion Vigésima-quinta, Capítulo XL, el Colegio queda por ella "autorizado á conceder diplomas, conferir grados y todos los demás honores literarios, generalmente conferidos" por otras instituciones de enseñanza de los Estados Unidos.

A consecuencia de las condiciones propias de este Territorio, el plan de estudios es principalmente comercial, y se divide en dos Cursos.

El primero, ó Curso Preparatorio, que se compone de los más niños, es puramente elemental, comprendiendo los principios de las lenguas Inglesa y Castellana, Caligrafía y Aritmética. Puede durar de uno á tres ó más años, segun la edad, el talento y el aprovechamiento de los muchachos.

El segundo Curso está destinado á dar á los alumnos una entera y esmerada instruccion comercial en Inglés y Castellano. Abraza las lecciones de Gramática, Historia de los Estados Unidos, Geografía, Aritmética, Teneduría de Libros; Retórica, Historia Moderna y Antigua, Algebra, Geometría y los Principios de Física y Química.

Los alumnos que sufrieren un exámen satisfactorio en esas asignaturas, recibirán un Certificado de aptitud para la carrera comercial; y dedicando dos años más en el Colegio al estudio ulterior de la Física y Química, y de la Geología, Mineralogía,

Matemáticas Superiores, Astronomía, Lógica, Metafísica y Etica, recibirán el Grado de Bachiller en Ciencias.

El estudio de los Clásicos se deja por ahora á la libertad de cada uno ni se paga aparte. Pero descan é intentan los Directores desarrollar el actual "Curso Clásico" hasta hacerlo un plan de estudios comun á todos. Porque enseña la experiencia que una firme institucion clásica, juntamente con la esmerada instruccion en todos los ramos de las Matemáticas, produce resultados muy superiores á los de cualquier otra educacion exclusivamente comercial. "El hombre que prospera más en los negocios no es aquel que aprendió simplemente á leer, escribir y contar; sino aquel que bajo una guia eminentemente previsora atendió al desarrollo de todas sus facultades por medio de una noble y vasta educacion, y puede despues entrar en la carrera mercantil con una mente diez veces más activa y versátil. Los pormenores de la vida comercial no se pueden aprender sino con la práctica; y una vez que uno ha adquirido cierta destreza en ellos, siente desde luego lo que vale la superioridad de su educacion." (Catálogo del Colegio de San Francisco Javier, Nueva York).

Se dan además lecciones de Música Vocal y de Piano ú Organó ú otro instrumento de charanga.

Siendo la formacion del corazon y de la inteligencia la única base de una buená y sana educacion, es un imperioso deber de los Directores atender con el mayor esmero á la cultura moral y religiosa de los jóvenes confiados á sus cuidados. Pero, si bien el Colegio estriba sobre principios Católicos, no se ejercerá ningun influjo indebido sobre los alumnos que no sean Católicos, para que muden de creencias religiosas.

RECLAMENTO GENERAL.

El año escolástico consta de diez meses, empezando, hasta nuevo arreglo, el último Lunes de Octubre, y terminándose el quince de Agosto con la solemne Distribucion de Premios.

Se suplica muy encarecidamente á los Padres y Tutores que envíen á sus hijos al Colegio desde la apertura de las Escuelas. Toda dilacion causa por lo general graves inconvenientes, y es un obstáculo para el aprovechamiento de los niños en un tiempo que es el más favorable para aplicarse seriamente al estudio.

Para ser admitido en el Colegio es menester presentarse acompañado por los padres ú otra persona responsable; y sufrir un exámen que decidirá de la escuela en que se puede entrar, vistos los conocimientos ya adquiridos.

Durante el curso puede un alumno ser promovido á una escuela superior siempre que se le hallare capaz; la promocion equivale en tal caso á todos los honores de la escuela inferior.

Se espera de todos los alumnos católicos que se acerquen á los Santos Sacramentos á lo menos una vez al mes, y asistan á la Misa é instruccion religiosa en la Capilla del Colegio siempre que les fuere indicado. Para que haya uniformidad en la disciplina exterior, deben tambien los internos que no sean católicos asistir decorosamente á todos los ejercicios de religion.

Para evitar las comunicaciones que pudieran ser perjudiciales entre los internos y las personas de fuera no conocidas por las Autoridades del Colegio, se reservan estas la facultad de poder examinar, segun lo pidiere la discrecion, todas las cartas, libros, papeles, etc. dirigidos á los alumnos ó enviados por ellos.

Además de pocos dias de vacacion, concedidos en las dos épocas de Navidad y Pascua, son asimismo dias ordinarios de fiesta: Todos los de obligacion: Los Jueves: Los dias de S. José, S. Luis de Gonzaga y S. Ignacio: El dia de accion de gracias y el de decoracion: El aniversario del nacimiento de Washington: El dia cuatro de Julio.

Se permite á los alumnos internos, cuyos padres ó tutores no viven lejos, pasar un dia en su compañía una vez al mes, que será de ordinario el primer Jueves. Pero se les exige siempre que regresen al Colegio antes de las 5 p. m. en el invierno, y de las 7 en el verano. En ninguna otra ocasion se les permitirá salir sin motivos de verdadera urgencia.

Los medio-internos estudian, comen y pasan los recreos con los internos. Deben venir al colegio tambien los Domingos y demás fiestas ordinarias, y vuelven á sus casas hácia al anoche-
cer.

Para promover el adelanto y la buena conducta de los alumnos, el Prefecto de las Escuelas les leerá cada semana en sus clases respectivas las notas que hubieren merecido; y además, una vez al mes, se publicará delante de todos los Directores y estudiantes un Boletin de la conducta y aplicacion de cada alumno y de los puestos obtenidos en todas sus asignaturas, y se conferirán unos certificados de distincion á los que más se hubieren señalado. Se ruega á los padres que no dejen de exigir de sus hijos ese Boletin al principio de cada mes.

Al fin de cada plazo escolar, habrá exámenes de todas las escuelas, y su resultado se publicará en el Catálogo del Colegio al fin del año. Los alumnos que culpablemente se ausentaren de estos exámenes, ó se mostraren enteramente desaprovechados, se expondrán á ser despedidos del Colegio.

Sirviéndose el Colegio de motivos de religion y decoro personal, no ha habido necesidad de acudir á frecuentes ó severos castigos. Las faltas graves que comprometieren la reputacion del Colegio, ú obstaren al bien de los demás alumnos, son motivos para ser expulsado.

En cuanto á las faltas más ordinarias, como de llegar tarde, no saber las lecciones, ú otras igualmente ligeras, bastará castigarlas, sea deteniendo á los muchachos despues de la escuela, sea mandándoles copiar ó aprender de memoria unas cuantas líneas de sus libros, ó privándolos, si son internos, de la salida

del primer Jueves del mes, ó finalmente rebajando las notas de la semana.

La cooperacion de los padres y tutores, contribuye en gran manera á facilitar los esfuerzos de los Maestros y Prefectos.

Por lo tanto se ruega con instancia á los padres que cuiden de que sus hijos vengan puntual y regularmente á la escuela; que avisen pronto á los superiores en caso que los detengan ó los saquen: que exijan regularmente el Boletín de cada mes; que se hagan cargo de las notas enviadas por los Directores para informarles de ausencias no motivadas, ó de malas lecciones, y mal comportamiento; y que no saquen del Colegio á los alumnos sin una imperiosa necesidad.
