PROSPECTUS.

The College of the Sacred Heart, incorporated July 23, 1887, by the State of Colorado, and by an Act of the State Legislature, April 1, 1889, empowered to confer University and Collegiate Honors and Diplomas, is conducted by the Fathers of the Society of Jesus. It is intended especially for boarders; half-boarders, however, and day-scholars are also admitted.

SURROUNDINGS.

The College is situated in the suburb of Denver, known as the Highlands, and is about half an hour's drive from the Capitol. The grounds cover an upland tract of fifty acres, and the prospect is one of lakes and mountains and meadows. The Snowy Range of the Rockies seems quite near, and from Pike's Peak to Long's Peak—a distance of about two hundred miles—the mountains are in full view. The diversified and magnificent scenery, and the opportunity for walks, at once instructive and of surpassing interest, leave nothing to be desired for the College in point of situation.

CLIMATE.

The climate of this region is universally conceded to be the healthiest in the United States. Parents from Mass-

achusetts, California, and the far South, have sent their delicate children to this College to the great advantage of their health, without the assistance of medical treatment.

HEALTH AND COMFORT.

The building is five stories high, while its dimensions are 300 feet in length by 76 in width and over 60 in height. The Class-rooms, Dormitories and Study-halls are well lighted and perfectly ventilated; the play-ground is extensive and beautiful, and there is an abundance of games, both indoor and outdoor. In winter, there are ample facilities for skating; and in summer, for bathing. The bath-rooms are supplied with water from the artesian well of the College. Especial attention is given to the physical development of the students. The gymnasium is well appointed, and the boys take systematic exercise daily. Athletic sports and games receive every encouragement, and monthly marks are given for proficiency in them. The meals are well prepared and well served.

COURSE OF STUDIES.

The plan of Instruction consists of three Courses, namely: Preparatory, Commercial, Classical.

The Classical Course is the principal course of the College, and embraces the Doctrines and Evidences of the Catholic Religion, Logic, Metaphysics, Ethics, Astronomy, Natural Philosophy, Chemistry, Mathematics, Rhetoric, Composition, Elocution, History, Geography, Book-keeping, Arithmetic and Penmanship; the Latin, Greek, English, German, French, Italian and Spanish Languages. If desired, Drawing, and Music—Vocal and Instrumental—are taught.

The Commercial Course embraces the same branches

with the exception of Latin, Greek, Mental and Natural Philosophy, Ethics and Astronomy.

The Preparatory Course embraces the usual elementary branches of an English education.

MODERN LANGUAGES.

German, Spanish, French and Italian are taught, each by a Professor whose vernacular it is, without extra charge.

OPTIONAL BRANCHES.

Optional Branches, such as Modern Languages, Drawing and Music, if they be taken, become obligatory for a whole term of five months.

SCHOLASTIC YEAR.

The Scholastic Year consists of but one session of ten months, beginning on the first Wednesday of September and closing on the last Wednesday of June. The session is divided into two terms, one ending about the last week of January; the other, about one week before the Annual Commencement Exercises.

SEMI-ANNUAL EXAMINATIONS.

At the close of each term there is a thorough examination of the various classes, in which the students are examined in all the branches studied during the previous half-year. Failure in both examinations debar a student from advancement to a higher class. A student failing in any branch at either of the examinations is not a full member of his class so long as he does not make up for the deficiency.—Competitive exercises are given every month.

WEEKLY MARKS.

Weekly Marks of the student's conduct, application and recitations are registered in books kept for that purpose and read publicly in every class and in the study-halls.

MONTHLY BULLETINS.

At the beginning of each month Bulletins, showing the students' standing in the Teachers' and Prefects' Departments for the preceding month, are read publicly in the College Hall, and then forwarded to parents. Parents are requested to examine these bulletins carefully.

TESTIMONIALS.

During the year, Testimonials of good conduct and proficiency in both departments are given to the most deserving.

GENERAL REGULATIONS.

ADMISSION.

Parents, in making application for their children, must state precisely the age of the candidate for admission, and if they be not personally acquainted with some member of the Faculty, they are required to present satisfactory testimonials of his moral character, as the College Authorities decline to receive applicants whose morals are not irreproachable, or who are over fifteen years of age. No one will be admitted for a shorter period than five months.

RELIGIOUS TRAINING.

Difference of creed is no bar to admission. Uniformity of discipline, however, demands of non-Catholic boarders that they should be present and behave properly at Divine Service.

DISCIPLINE.

The government of the institution is mild rather than severe; but strict obedience, assiduous application and blameless conduct are positively required of every student. Any serious fault regarding these essential points renders the offender liable to effective correction, and even to dismissal, if this be deemed necessary.

For faults of ordinary occurrence, such as tardy arrival, failure in recitations, or minor instances of misconduct, detention after school, some lines to be committed to memory, and low weekly marks, are usually found sufficient penalty.

The students are forbidden to leave the College grounds without permission.

POLITENESS.

The College expects from all its students the manners and deportment of perfect gentlemen. Politeness is deemed a very important element of education. On the premises, smoking, tobacco-chewing, low or profane language, rough, uncouth games of any sort, are not tolerated.

LETTERS.

The College Authorities reserve to themselves the discretionary power of inspecting all letters, books, etc., either directed to the pupils or sent by them.

VISITORS.

Visits may be paid to the students on Tuesday, Thursday and Sunday afternoons. Parents and friends are most earnestly requested not to call at other times, unless it be strictly necessary. No visitors will be allowed to see a student unless they are known to the College Authorities or

come with a letter of introduction from the parents or guardians.

HOLIDAYS.

Besides a few days of vacation at Christmas and Easter, the following are also ordinary holidays: All the holidays of obligation, every Tuesday and Thursday afternoon, except when the preceding or following day is also a holiday; the feasts of the Sacred Heart, St. Aloysius and St. Joseph, Thanksgiving Day, Washington's Birthday, Arbor Day.

HALF-BOARDERS AND DAY-SCHOLARS.

Half-boarders study, dine and lunch with the boarders. Half-boarders and day-scholars must not be kept at home, nor detained on school days, except for grave reasons. In case of absence or tardiness, a note of excuse from parents or guardians is invariably required.

Day-scholars are not allowed to associate with boarders more than is absolutely necessary in class and College exercises.

It is strictly forbidden to take out letters or go on errands for boarders.

The classes begin at 8:30 a. m. and continue until 11:30. They are resumed at 2 and continue till 4:15 p. m.

ACKNOWLEDGMENTS.

The College authorities take this opportunity to give public expression to the sense of gratitude and appreciation which they feel and cherish for His Lordship, Rt. Rev. Bishop Machebeuf, J. Brisben Walker, Esq., and M. I. Perrin, Esq., all of Denver. It is chiefly to these gentlemen that the College of the Sacred Heart owes its existence. Our venerable Bishop has given substantial and lasting proof of his devotion to the College, and from first to last it is the outcome of his energy and zeal. To Messrs. Walker and Perrin is due the praise for the magnificent site of which the College so proudly boasts. No spot within the State of Colorado was so desirable for the purpose ; and the generous donation of forty acres from Mr. Walker and ten from Mr. Perrin placed the College on the most beautiful site in the vicinity of Denver. Since the opening of the College "The Denver Land and Security Company" have donated twenty lots just adjacent to the College grounds, thus making the property large, healthful and beautiful.

The President and Faculty wish to express their grateful acknowledgment to several friends, whose generous donations to the amount of \$24,000 put the College under lasting obligation.

The Students' Chapel, Library and Museum have the promise of being enriched by rare and costly gifts. We append a list of the donors :
