John P. Fitzgibbons, S.J.
President’s Easter Message
March 28th, 2018

On the first day of the week,
Mary of Magdala came to the tomb early in the morning,
while it was still dark, and saw the stone removed from the tomb.
(Gospel of John 20:1)

On Sunday, April 1, 2018,
Christians around the world celebrate the great feast of Easter
and begin the 50-day period of Eastertide,
in which they contemplate at length the beauty, power and mystery of
the resurrection of Jesus.
In the days of Holy Week preceding Easter Sunday
Christian communities tell in varied ways
the powerful story of the life, passion, death, and resurrection of Jesus.
For believers, this is the central paradigm of the Christian life,
a cause of joy in the midst of suffering,
and a foundation of hope in the face of death and loss.
May these holy spring days deepen your faith and strengthen your
belief in the transformation of the world through the
insurmountable power of self-sacrificing love.
May you have a truly joyous and blessed Easter.
