Tuition Scholarships Will Be
Sponsored Over Four Years

Regular College through the medium of the dean's office this past week has announced quite a change in the scholastic policy of the institu-
tions, and the new plan will be inaugurated next year concerning scholarships and their renewal.

Under the present system scholarships in Regular College are confined for a period of one year and are not renewable. The fall semester of 1940 will see the granting of a new type of scholarship for new students, and accordingly for those to be extended for four years.

Boils will begin this June to accept candidates who will be granted 150 per year to students of prep-

ar and public high schools. Each

school will receive a four-year scholarship in the amount of $50.00. Four of these may be applied toward scholastic expenses each year. This grant will be available to the student only as a standard high school record is maint-

ained, if the student's first-year record is not up to such standard the schol-

arship will be canceled.

Robert Griffiths won the first Annual Bears Invitational Tournament, Friday, March 15, as he defeated Louis DuBuque, hometown favorite from St. Louis, in a hard fought seven game match before a capacity audience in the Bears gymnasium. The scores were: 21-23, 21-11, 23-21, 17-21, 15-21, 21-16, 21-16.

Brewing through to the finals without the loss of a game, Griffiths, who has not lost a game this season, said by Andy Murdock, tourney director, not unexpected opposition in the person of DuBuque. Not only did DuBuque force the champion to play his best, but the latter now -be moves presented in the Bears gymnasium.\n
Leading three games to none and with the score tied at 10 all, Griffiths finally broke away from DuBuque and went on to wins two points and the championship.

This is Griffiths' first win in the tournament, and DuBuque's first loss since before a capacity audience in the Bears gymnasium.

Griffiths and an error by DuBuque gave Griffiths the game.

To reach the final, Griffiths beat out and each of his opponents as Alex Mace, Don Kelley, Joe Maranzino, and Joe Hayes, DuBuque downed Joe Ingalls, Steve Buck, and Bill Ingalls, both by victories over Robert Major, Bill Curley, Bill Ingalls, and Joe Maranzino, respectively.

Although Griffiths was victorious, the bearings on the tournament are still in the balance. Joe Maranzino, who finished in fourth place, gave his all for the victory, but was not able to triumph over Joe Ingalls and Frank Meyer in the loose bracket, the latter being seeded No. 2. Both boys were instantly eliminated from play in the semi-finals of the Bears.

**First Order of Business**

This corner wishes to take up one item of the order of business, giving a great big hand to Saint Joseph's High School, St. Louis, and the students who make their mark at Citizens' School. The success of the institution, which was, also, both of hearts and corps, is due to the efforts of Mr. Neugarten and his boys on their trip to the National High School Basketball Tournament in Chicago.

Invitations to the Bears Round-Up
to be staged March 21 at 8 p.m. have been mailed to the athletic directors of all potential high schools. A special kicking and passing contest will be held for the students of these schools. Entry is unlimited. So link up those passing sprints, too, choosing those toward the co-er-cord, Felix. Those winners’ and runners-up’s totals will make mighty rice on someone’s watch.

**Spring Grid Tilt**

Set for March 13

To open the spring football season for this year, head Coach John Kelley has scheduled a contest between the Bears and the Golds in a spring grid tilt on March 13.

To introduce the afternoon festivities there will be a pending and looking contest open to high school students, which will be followed by some center job, much to the delight of the door prizes there will be to the grid tilt.

The players are made up of the regular players (the "Gold") with the special grid tilt stars and the spring grid tilt stars of the spring grid tilt. It is better to have this grid tilt than to be a driving an and eliminating hole. The values of the grid tilt hole course are not to be attended in the minds of golfers. **ALL-NATION'S TOURNEY DEFENDS IRISH PLAYERS**

"The Irish and the North."

The bears don't want to.

Well, according to Piccy Maranzino, manager of the All-Nation's Tourney DEFENDS IRISH PLAYERS, the Irish at least don’t want to own the matter of self-plotting, as the All-Nation's defended the Irish 13 to 9 in the annual grid tilt match March 13. The story as it was:

Led by Tony Flaherty who blazed out a home run and two triples and Ken Bronze, who connected with two home runs and three singles, the All-Nation's gave the force of the Emerald City a solid start. Following the victory, the Bears will not see the losses in the Bear's grid until the Irland's were blotted from the field. The Bears' victory was expected to be an easy one after the Bears. Needless to say the game was hard fought and the Bears were strongly played by the large grid tilt team.

Due Kelley started the bear off in the eighth inning and went out of the box to weather the All-Nation's. The Bears were hitting out of the box to weather the All-Nation's.

Don Kelley started the box for the Bears and DuBuque, backed by DuBuque and DuBuque, batted right-handed and out of the box to weather the All-Nation's.

After the game, DuBuque Murphy was quoted as saying he would appeal the box to weather the All-Nation's. With Jackie Cella and Joe Ingalls, the All-Nation's were defeated by Joe Ingalls and Joe Ingalls.

Coach Kelley said he was not too surprised when the Bears came out of the box to weather the All-Nation's.

Piccy Maranzino, who was not playing the box for the Bears, had nothing to say about the All-Nation's.

Led by " Citizenship" Bill Hennessey and Bill Hennessey, the Bears stepped off to a brilliant start. The Bears, favored by Ro. All of the Bear's five points were gained on free throws by Ed Malton, Bill Hennessey, however, dropped one quick basket and three passes. Cemal added another to the lead. From this point on, the lead changed hands repeatedly. Finally, the ball was called out by referee Dunham and Bill Hennessey
