Authorization to Publish Student Work

I, Tommy Wells, the undersigned student in the School of Computer & Information Sciences, hereby authorize Regis University to publish the document described below ("Work"). I acknowledge and understand that the Work will be freely available to all users of the World Wide Web and the Regis University Digital Repository under the condition that it can only be used for legitimate, non-commercial academic research and study. I understand that this restriction on use will be contained in a header note on the Regis University web site but will not be otherwise policed or enforced. I understand and acknowledge that under the Family Educational Rights and Privacy Act I have no obligation to release the Work to any party for any purpose. I am authorizing the release of the Work as a voluntary act without any coercion or restraint. On behalf of myself, my heirs, personal representatives and beneficiaries, I do hereby release Regis University, its officers, employees and agents from any claims, causes, causes of action, law suits, claims for injury, defamation, or other damage to me or my family arising out of or resulting from good faith compliance with the provisions of this authorization. This authorization shall be valid and in force until rescinded in writing.
